SUMMARY

THE FOLLOWING SUMMARY CONTAINS BASIC INFORMATION ABOUT THE COMPANY AND THIS OFFERING. BECAUSE THIS IS A SUMMARY, IT NECESSARILY DOES NOT CONTAIN ALL THE INFORMATION THAT MAY BE IMPORTANT TO YOU. FOR A MORE COMPLETE UNDERSTANDING OF THE OFFERING, WE ENCOURAGE YOU TO CAREFULLY READ THIS ENTIRE PROSPECTUS, INCLUDING THE "RISK FACTORS" SECTION, AND THE DOCUMENTS INCORPORATED BY REFERENCE HEREIN. WHEN WE REFER TO "CHEMED," "THE COMPANY," "WE," "OUR" AND "US" IN THIS PROSPECTUS WE MEAN CHEMED CORPORATION AND ITS SUBSIDIARIES UNLESS THE CONTEXT INDICATES OTHERWISE.

BUSINESS OF THE COMPANY

We are involved in three lines of business: plumbing and drain cleaning services, heating/air-conditioning repair, and hospice care. We entered the hospice care business when we acquired the remaining 63% of Vitas Healthcare Corporation ("Vitas") that we did not previously own on February 24, 2004.

We believe our Roto-Rooter business is the largest provider of plumbing and drain cleaning services in North America, providing repair and maintenance services to residential and commercial accounts. We operate through more than 100 company-owned branches and independent contractors and 500 franchisees. We offer services to more than 90% of the U.S. population and approximately 55% of the Canadian population. We also have licensed master franchisees in Australia, China, Indonesia, Japan, Mexico, the Philippines and the United Kingdom.

Our Service America business provides residential and commercial appliance and heating/air-conditioning repair, maintenance and replacement services. It also sells air conditioning equipment and duct cleaning services.

Vitas is the nation's largest provider of hospice services for patients with severe, life-limiting illnesses. This type of care is aimed at making the terminally ill patient's final days as comfortable and pain free as possible. Hospice care is typically available to patients who have been initially certified as terminally ill (i.e., a prognosis of six months or less).

Vitas' hospice operations began in South Florida in 1978 and Vitas was incorporated as a for-profit corporation in 1983. Today, Vitas provides a comprehensive range of hospice services through 25 operating programs covering many of the large population areas in the U.S., including Florida, California, Texas and Illinois. Vitas has over 6,000 employees including approximately 2,400 nurses and 1,500 home health aides.

We are a holding company and derive all of our operating income from our subsidiaries.

The Company's name was Roto-Rooter, Inc. until May 17, 2004, when its name became Chemed Corporation.

OUR ADDRESS

Our executive offices are located at 225 E. Fifth Street, Cincinnati, Ohio 45202 and our telephone number is (513) 762-6900. Our website is located at <http://www.chemed.com>. The information on our website is not part of this prospectus.

RISK FACTORS

YOU SHOULD CAREFULLY CONSIDER THE FOLLOWING RISK FACTORS AND ALL OF THE INFORMATION AND THE RISK FACTORS SET FORTH IN THIS PROSPECTUS AND INCORPORATED BY REFERENCE HEREIN BEFORE DECIDING TO INVEST IN THE CAPITAL STOCK. THE RISKS DESCRIBED BELOW AND INCORPORATED BY REFERENCE HEREIN ARE NOT THE ONLY ONES FACING OUR COMPANY. ADDITIONAL RISKS NOT NOW KNOWN TO US OR THAT WE CURRENTLY DEEM IMMATERIAL MAY ALSO IMPAIR OUR BUSINESS OPERATIONS.

RISKS RELATED TO OUR CAPITAL STOCK

OUR STOCK PRICE MAY FLUCTUATE SIGNIFICANTLY.

The market price of our capital stock could fluctuate significantly in response to variations in quarterly operating results and other factors, such as:

- o changes in our business, operations or prospects;
- o developments in our relationships with our customers;
- o announcements of new products or services by us or by our competitors;
- o announcement or completion of acquisitions by us or by our competitors;
- o changes in existing or adoption of additional government regulations;
- o unfavorable or reduced analyst coverage; and
- o prevailing domestic and international market and economic conditions.

In addition, the stock market has experienced significant price fluctuations in recent years. Many companies experienced material fluctuations in their stock price that were unrelated to their operating performance. Broad market fluctuations, general economic conditions and specific conditions in the industries in which we operate may adversely affect the market price of our capital stock.

LIMITED TRADING VOLUME OF OUR CAPITAL STOCK MAY CONTRIBUTE TO ITS PRICE VOLATILITY.

Our capital stock is traded on the New York Stock Exchange, or NYSE. During the year ended December 31, 2003, the average daily trading volume for our capital stock as reported by the NYSE was approximately 41,475 shares. We are uncertain whether a more active trading market in our capital stock will develop. Also, many investment banks no longer find it profitable to provide securities research on small-cap and mid-cap companies. If analysts were to discontinue coverage of our capital stock, our trading volume may be further reduced. As a result, relatively small trades may have a significant impact on the market price of our capital stock, which could increase the volatility and depress the price of our capital stock.

FUTURE SALES OF OUR CAPITAL STOCK MAY CAUSE OUR STOCK PRICE TO DECLINE.

In the future, we may sell additional shares of our capital stock in public or private offerings, and we may also issue additional shares of our capital stock to finance future acquisitions. Shares of our capital stock are also available for future sale pursuant to stock

options that we have granted to our employees, and in the future we may grant additional stock options to our employees. Sales of substantial amounts of our capital stock, or the perception that such sales could occur, may adversely affect prevailing market prices for shares of our capital stock and could impair our ability to raise capital through future offerings.

WE ARE SUBJECT TO CERTAIN ANTI-TAKEOVER STATUTES THAT MIGHT MAKE IT MORE DIFFICULT TO EFFECT A CHANGE IN CONTROL OF THE COMPANY.

We are subject to the anti-takeover provisions of Section 203 of the Delaware General Corporation Law, which prohibits us from engaging in a "business combination" with an "interested stockholder" for a period of three years after the date of the transaction in which the person became an interested stockholder, unless the business combination is approved in a prescribed manner. The application of Section 203 could have the effect of delaying or preventing a change of control that could be advantageous to stockholders.

NOTE ON FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements within the meaning of the federal securities laws. These forward-looking statements generally can be identified by use of statements that include words such as "anticipate," "estimate," "expect," "project," "intend," "plan," "believe" and other words and terms of similar meaning, although not all forward-looking statements contain such words. Statements that describe our objectives, plans or goals are also forward-looking statements. These forward-looking statements are subject to risks and uncertainties which could cause actual results to differ materially from those currently anticipated. Factors that could materially affect these forward-looking statements can be found in our periodic reports filed with the Securities and Exchange Commission (the "SEC") and herein under the heading "Risk Factors." Potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on these forward-looking statements. The forward-looking statements included in this prospectus are made only as of the date of this prospectus, and we undertake no obligation to publicly update these forward-looking statements to reflect new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events might or might not occur. We cannot assure you that projected results or events will be achieved.

USE OF PROCEEDS

The Company will not receive any proceeds from sales of capital stock by the selling stockholders pursuant to this prospectus.

SELLING STOCKHOLDERS

The following table sets forth for each selling stockholder, to the extent known by us, the amount of our capital stock beneficially owned by each selling stockholder prior to the offering, the amount of our capital stock being offered in the offering and the percentage of outstanding capital stock to be owned after completion of the offering based upon the number of shares outstanding at March 31, 2004. This table may be expanded or supplemented in prospectus supplements as new information becomes available to us. All information contained in the table below is based upon information provided to us by the selling stockholders, and we have not independently verified this information. None of the selling stockholders or any of its affiliates, officers, directors or principal equity holders has held any position or office or has had any material relationship with us or any of our predecessors or affiliates within the past three years.

Only selling stockholders identified as beneficially owning the capital stock set forth opposite each such selling stockholder's name in the table on the effective date of the registration statement, of which this prospectus forms a part, may sell such securities pursuant to the registration statement. Prior to any use of this prospectus in connection with an offering of the capital stock, the registration statement of which this prospectus forms a part will be amended by a post-effective amendment to set forth the name and number of shares of capital stock to be offered. The prospectus, which will be a part of such a post-effective amendment, will also disclose whether any selling stockholder selling in connection with such prospectus has held any position or office with or otherwise has had a material relationship with us or any of our predecessors or affiliates during the three years prior to the date of the prospectus if such information has not been disclosed herein.

To the extent that any of the listed selling stockholders are broker-dealers, they are deemed by the SEC to be "underwriters" within the meaning of the Securities Act. With respect to selling stockholders that are affiliates of broker-dealers, we believe that such entities acquired their shares of capital stock in the ordinary course of business and at the time of the purchase of such shares such selling stockholders had no agreements or understandings, directly or indirectly, with any person to distribute those securities. To the extent that we determine that such entities did not acquire shares in the ordinary course of business or did have such an agreement or understanding, we will file a post-effective amendment to the registration statement of which this prospectus is a part to designate such affiliate as an "underwriter" within the meaning of the Securities Act.

DESCRIPTION OF CAPITAL STOCK

The following description of our capital stock is only a summary of the detailed provisions of our certificate of incorporation, as amended, and by-laws, as amended. These statements do not purport to be complete, or to give full effect to the provisions of statutory or common law, and are subject to, and are qualified in their entirety by reference to, the terms of our certificate of incorporation and by-laws. We encourage you to read our certificate of incorporation and by-laws which have been filed with the SEC and are incorporated by reference in this prospectus for a more complete description.

GENERAL

Our authorized capital stock consists of 15,000,000 shares of capital stock, par value \$1.00 per share. Our certificate of incorporation does not authorize the issuance of shares of preferred stock. As of March 31, 2004, we had 12,154,633 shares of capital stock outstanding. In addition, as of March 31, 2004, an aggregate of 1,013,776 shares of our capital stock were issuable upon the exercise of outstanding options and 67,302 shares were reserved for issuance under our stock incentive plans. As of March 31, 2004, 378,533 shares of our capital stock were reserved for conversion of our trust preferred securities.

RIGHTS OF HOLDERS OF OUR CAPITAL STOCK

Stockholders are entitled to one vote for each share of our capital stock held of record on all matters on which stockholders are entitled or permitted to vote. Our capital stock does not have cumulative voting rights in the election of directors. As a result, holders of a majority of the shares of our capital stock voting for the election of directors can elect all the directors standing for election. Holders of our capital stock are entitled to receive dividends out of legally available funds when and if declared from time to time by our Board of Directors. In the event of our liquidation, dissolution or winding up, the holders of our capital stock will be entitled to share ratably in all assets remaining after payment of liabilities. Our capital stock has no preemptive, subscription or conversion rights, and there are no redemption or sinking fund provisions in our certificate of incorporation. The outstanding shares of our capital stock are fully paid and nonassessable.

CORPORATE GOVERNANCE PROVISIONS OF OUR BY-LAWS

Our by-laws provide that stockholders may act by written consent without a meeting if consents in writing, setting forth the action taken, are signed by the holders of record of shares having not less than the minimum voting power that would be necessary to take such action at a meeting at which all shares entitled to vote thereon were present and voted. Our by-laws provide that special meetings of stockholders may be called at any time by the Chairman, President or the Secretary of the Company or upon the written request of a majority of the Board of Directors or of the holders of record shares having a majority of the voting power of the capital stock of the Company then entitled to vote for the election of directors. Our by-laws provide that the number of directors will be fixed from time to time by resolution of the Board of Directors or, in the absence thereof, will be the number of directors elected at the preceding annual meeting of the stockholders. Our by-laws provide that the Board of Directors must constitute no fewer than 3 and no more than 40 directors. Our Board of Directors currently consists of 11 directors.

SECTION 203 OF THE DELAWARE GENERAL CORPORATION LAW

We are a Delaware corporation that is subject to Section 203 of the Delaware General Corporation Law. Section 203 provides in general that a stockholder acquiring more than 15% of the outstanding voting stock of a corporation subject to Section 203 but less than 85% of such stock may not engage in a Business Combination, as defined in Section 203, with the corporation for a period of three years from the date on which that stockholder became an Interested Stockholder, as defined in Section 203, unless (1) prior to such date the corporation's board of directors approved either the Business Combination or the transaction in which the stockholder became an Interested Stockholder or (2) the Business Combination is approved by the corporation's board of directors and authorized by the holders of at least 66% of the outstanding voting stock of the corporation not owned by the Interested Stockholder. A "Business Combination" includes a merger, asset sale or other transaction resulting in a financial benefit to a stockholder. A Delaware corporation may "opt out" of Section 203 with an express provision in its original certificate of incorporation or an express provision in its certificate of incorporation or by-laws resulting from amendments approved by holders of at least a majority of a corporation's outstanding voting shares. We have not "opted out" of the provisions of Section 203.

LIMITATIONS ON LIABILITY AND INDEMNIFICATION OF OFFICERS AND DIRECTORS

Our certificate of incorporation provides that to the fullest extent permitted by the Delaware General Corporation Law, no director will be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Under the Delaware General Corporation Law, liability of a director may not be limited:

- o for any breach of the director's duty of loyalty to us or our stockholders,
- o for acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law,
- o in respect of certain unlawful dividend payments or stock redemptions or repurchases, and
- o for any transaction from which the director derives an improper personal benefit.

The effect of this provision of our certificate of incorporation is to eliminate our rights and the rights of our stockholders to recover monetary damages against a director for breach of the fiduciary duty of care as a director, including breaches resulting from negligent or grossly negligent behavior, except in the situations described above. This provision does not limit or eliminate our rights or the rights of any stockholder to seek non-monetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. In addition, our by-laws provide that we will indemnify our directors, officers, employees and agents to the fullest extent permitted by the Delaware General Corporation Law. We may purchase and maintain insurance or furnish similar protection on behalf of any officer or director against any liability asserted against the officer or director and incurred by the officer or director in such capacity, or arising out of the status, as an officer or director.

TRANSFER AGENT AND REGISTRAR

The transfer agent and registrar for our capital stock is Wells Fargo Bank, N.A.

PLAN OF DISTRIBUTION

The selling stockholders, or their pledgees, donees, transferees, or any of their successors in interest selling shares received from a named selling stockholder as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus (all of whom may be selling stockholders), may sell the shares of capital stock from time to time after the date of this prospectus on any stock exchange or automated interdealer quotation system on which the capital stock is listed, in the over-the-counter market, in privately negotiated transactions or otherwise, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at prices otherwise negotiated. The selling stockholders may sell the shares of capital stock by one or more of the following methods, without limitation:

- (a) ordinary brokerage transactions (including block trades) and transactions in which the broker solicits purchases;
- (b) private sales or private transactions;
- (c) one or more underwritten offerings on a firm commitment or best efforts basis; and
- (b) a combination of any of these methods of sale or any other legally available means, whether or not described in this prospectus.

At the time a particular offering of shares is made hereunder, to the extent required by Rule 424 under the Securities Act of 1933, we will file a prospectus supplement setting forth:

- (a) the number of shares involved;
- (b) the names of any underwriters, dealers or agents;
- (c) the price at which the shares are being offered or purchased;
- (d) any commissions or discounts or concessions allowed to broker-dealers;
- (e) any discounts, commissions or other items constituting compensation from the selling shareholder; and
- (f) any other facts material to the transaction.

In connection with sales of the shares of capital stock the selling stockholders may enter into hedging transactions with broker-dealers only to the extent permitted by the Securities Act and any applicable securities laws of any state of the United States. These broker-dealers may in turn engage in short sales of the shares of capital stock and deliver shares of capital stock to close out such short positions, or loan or pledge shares of capital stock to broker-dealers that may in turn sell such securities. The selling stockholders may pledge or grant a security interest in some or all of the shares of capital stock that it owns and, if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of capital stock from time to time pursuant to this prospectus. The selling stockholders may also transfer and donate shares of capital stock in other circumstances, in which case the transferees, donees, pledgees or other successors in interest will be selling stockholders for the purposes of this prospectus.

To our knowledge, there are currently no plans, arrangements or understanding between any selling stockholders and any underwriters, broker-dealer or agent regarding the sale of the shares of capital stock by the selling stockholders.

The shares of capital stock registered hereby were issued and sold on February 24, 2004 in transactions exempt from the registration requirements of the Securities Act pursuant to Rule 144A under the Securities Act. We agreed to register the shares under the Securities Act and to keep the registration statement of which this prospectus is a part effective until the earlier of the date on which the selling stockholders have sold all of the shares, the shares covered hereby are no longer outstanding or the holders are entitled to sell their shares under Rule 144 under the Securities Act.

Pursuant to the registration rights agreement, we have agreed to indemnify in certain circumstances the selling stockholders and any brokers, dealers and agents who may be deemed to be underwriters, if any, of the shares covered by the registration statement, against certain liabilities, including liabilities under the Securities Act. The selling stockholders have agreed to indemnify us in certain circumstances against certain liabilities, including liabilities under the Securities Act. We have also agreed to pay certain expenses in connection with this offering, including, in certain circumstances, the fees and expenses of counsel to the selling stockholders, but not including underwriting discounts, concessions, commissions or fees of the selling stockholders.

The selling stockholders and any other person participating in such distribution will be subject to the Exchange Act rules, including, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the shares of capital stock by the selling stockholders and any such other person. In addition, Regulation M of the Exchange Act may restrict the ability of any person engaged in the distribution of the shares of capital stock to engage in market-making activities with respect to the shares of capital stock being distributed for a period of up to five business days prior to the commencement of distribution. This may affect the marketability of the shares of capital stock and the ability of any person or entity to engage in market-making activities with respect to the shares of capital stock.

The Company will not receive any proceeds from sales of any shares by the selling stockholders.

Because we can not assure you that the selling stockholders will sell all or any portion of the shares offered hereby, we cannot estimate how many shares of capital stock that the selling stockholders will hold upon consummation of any sale.

We may suspend the use of this prospectus by the selling stockholder under certain circumstances.

Any capital stock sold by a selling stockholder pursuant to a prospectus supplement will be listed on the New York Stock Exchange, subject to official notice of issuance.

LEGAL MATTERS

The validity of the shares of capital stock will be passed upon for us by Naomi C. Dallob, Esq., our Vice President and Secretary.
