On November 12 and 19, 1998, Chemed closed its acquisitions of Starburst, Inc. and Sure Flow, Inc. The following table sets forth certain information as of the date of this prospectus with respect to ownership of Chemed capital stock by the selling stockholders and as adjusted to give effect to the sale of the shares offered by this prospectus. PLAN OF DISTRIBUTION

The selling stockholders have not advised Chemed of any specific plans for distributing their Chemed capital stock covered by this prospectus. The selling stockholders have agreed that they will not sell any Chemed capital stock until an earnings statement covering thirty (30) days of the combined operating results of Chemed, Starburst, Inc., and Sure Flow, Inc., respectively, has been publicly disseminated. The selling stockholders, or their pledgees, donees, transferees or other successors in interest, may sell the shares from time to time in one or more transactions on the New York Stock Exchange (which may involve block transactions), in special offerings, in negotiated transactions, or otherwise. Such sales may be made at market prices prevailing at the time of the sale, at prices related to such prevailing market prices, or at negotiated prices. In addition, any securities covered by this prospectus that qualify for sale pursuant to Rule 144 of the Securities Act of 1933 might be sold under the terms of such rule rather than pursuant to this prospectus.

The selling stockholders may use brokers or dealers to sell their shares. If this happens, such brokers or dealers may receive commissions or discounts from the selling stockholders in amounts negotiated immediately prior to the sale. Such brokers or dealers may be deemed to be "underwriters" within the meaning of the

Securities Act of 1933 in connection with such sales, and their commissions or discounts and other compensation may be deemed underwriters' compensation.

If a selling stockholder notifies Chemed of any material arrangement that it has entered into with a broker or dealer for selling shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, Chemed will file a supplemented prospectus, if required, pursuant to Rule 424(c) under the Securities Act of 1933. In that supplemented prospectus, Chemed will disclose:

- * the name of each such broker-dealer;
- * the number of shares involved;
- * the price at which such shares were sold;
- * the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable;
- * that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by referenced in this prospectus, as supplemented; and
- * any other facts material to the transaction.

This registration statement will remain effective until the earlier of (i) the date on which all of the shares included in the registration statement have been distributed to the public, or (ii) August 19, 1999.

Chemed will pay its own legal and accounting fees, all registration and filing fees attributable to the registration of the shares, all legal fees and filing fees relating to state securities or "blue sky" filings, the filing fee payable to the New York Stock Exchange and all printing fees incurred in connection with this prospectus. Each selling stockholder will pay its own legal and accounting fees and any other expenses incurred by the selling stockholder. Any commissions, discounts or other fees payable to broker-dealers in connection with any sale of the shares will be borne by the selling stockholder selling such shares.

Chemed has agreed to indemnify the selling stockholders in certain circumstances, against certain liabilities, including liabilities arising under the Securities Act of 1933. Each selling stockholder has agreed to indemnify Chemed, its directors and its officers who sign the registration statement, against certain liabilities, including liabilities arising under the Securities Act of 1933.

USE OF PROCEEDS

All net proceeds from the sale of the Chemed shares will go to the selling stockholders who offer and sell their shares. Accordingly, Chemed will not receive any proceeds from the sale of the shares by the selling stockholders.

Item 16. Exhibits

Each of the following exhibits is filed or incorporated by reference in this registration statement.

Exhibit Number	Description of Exhibit
----------------	------------------------

- | | |
|----------------|--|
| (5) and (23.1) | Opinion and consent of Dinsmore & Shohl LLP, counsel to the registrant |
| (23.2) | Consent of PricewaterhouseCoopers LLP |
| (24) | Powers of Attorney(a) |

(a) A power of attorney whereby various individuals authorize the signing of their names to any and all amendments to this registration statement and other documents submitted in connection therewith is contained on the first page of the signature pages following Part II of this registration statement.

Item 17. Undertakings

- (a) Rule 415 Offering. The undersigned registrant hereby undertakes that it will:

(1) File, during any period in which it offers or sells securities, a post-effective amendment to this registration statement to include any additional or changed material information on the plan of distribution.

(2) For determining liability under the Securities Act, treat each post-effective amendment as a new registration statement of the securities offered, and the offering of the securities at that time to be the initial bona fide offering.

(3) File a post-effective amendment to remove from registration any of the securities that remain unsold at the end

of the offering.

- (h) Request for Acceleration of Effective Date. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- (i) Reliance on Rule 430A. The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933 each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on a Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Cincinnati, State of Ohio, November 25, 1998.
